

LAKEWOLD GARDENS

An inspirational experience offering continued growth and learning for the public in a unique, historic estate setting.

Dear Community Member:

As a member of the South Sound community, you may be familiar with Lakewold Gardens. If so, you know the unique experience to be had at this serene and beautiful natural place. What if you could give that same experience to your employees, as a benefit of their employment? Through our Corporate Membership program you can do just that. Your employees will appreciate the opportunity to unwind and recharge on a stroll through this renowned 10 acre former estate, or reconnect with their family over a picnic lunch on the wisteria-covered terrace.

Corporate Members receive other benefits such as Admission Passes – a great gift for clients and customers, and discounts on Conference Room Rentals. Members at the Partner Level are entitled to a complimentary Conference Room Rental – perfect for corporate retreats. Corporate Members are recognized in our quarterly newsletter, *Lakewold Pathways*, which is mailed to our members and distributed to public visitors on-site.

Lakewold Gardens is a nonprofit organization that exists for, and is supported by, our community. Your membership supports our mission to preserve Lakewold Gardens as an inspirational experience offering continued growth and learning for the public in a unique, historic estate setting. Corporate Memberships are tax-deductible.

If you have yet to experience Lakewold Gardens, please consider this an invitation to visit and tour a historic Northwest treasure. Enclosed are details about the program and an explanation of the benefits for each membership level.

I look forward to welcoming you and your organization to the gardens.

Sincerely,

Rose Kiourkas
